

## THE RIGHT HAND SHALL FIND OUT

Not long ago, a friend called with the following scripture, and said, “This is what is going on in your life, Darwin.” God is doing a powerful work in our midst, and I have found that what she shared with me from God’s word describes it best:

*For the king trusteth in the Lord, and through the mercy of the most High he shall not be moved. Thine hand shall find out all thine enemies: thy right hand shall find out those that hate thee. Thou shalt make them as a fiery oven in the time of thine anger: the Lord shall swallow them up in his wrath, and the fire shall devour them. Their fruit shalt thou destroy from the earth, and their seed from among the children of men. For they intended evil against thee: they imagined a mischievous device, which they are not able to perform. Therefore shalt thou make them turn their back, when thou shalt make ready thine arrows upon thy strings against the face of them. Be thou exalted, Lord, in thine own strength: so will we sing and praise thy power” (Psalm 21:7-13).*

In these scriptures, God is exposing our enemies, and at the present time, that is exactly what He is doing. Not only is He exposing them, but He is also destroying them. Praise God! None of their evil plans stop God from having His way with us.

I want to make it clear that we fight not with flesh and blood but with principalities and powers in high places (Ephesians 6:12). These enemies come and speak to our minds, and infiltrate the church using psychological warfare to divide the brethren and prevent us from going on with God. Even though the enemy uses people to promote his cause, we do not fight with people, nor accuse them, because it is not the person doing the devil’s bidding, but the demon within. We preach grace to people.

When Jesus said we are to love our enemies, He was not saying to love the devil, for it is written that we are to hate evil. He was saying that we are to love the people the evil one uses. I give thanks and glory to God that he is destroying all the plans of the enemy, and he is fleeing.

There are so many wonderful things the Lord has done, that it is hard to list them all. All I can say is that Jesus is faithful and true. He will perform the work that He started in us. He said he would deliver His people, and He is.
